## PARTNERSHIP OPPORTUNITIES

Over the past twenty years, 211 San Diego has been honored to collaborate, innovate, and partner with organizations and leaders across the region to provide services to our community. We invite you to join us at our Connections Luncheon to celebrate, re-connect, and honor these 20 years of serving our community, together!

Your support and partnership continue to sustain our work to seamlessly connect people to services. Together, we have built new processes and pathways, transforming how people access help.

We hope that organizations of all sizes will join us at our celebration. We are offering a variety of sponsorship levels. For questions, please email Meg Storer, Chief of Staff, at [mstorer@211sandiego.org](mailto:mstorer@211sandiego.org).
